

PRINCIPAL'S MESSAGE

SERVICE FOR ACTIVE ENGAGEMENT

De Paul College has service as one of its core values which is inbuilt and reflected in its educational approaches and programmes. Adhering to the spirit of the Patron of the college, St. Vincent de Paul, and the mission of the institution, De Paul strives to instill in the members of its management, staff and students, this very spirit of service towards the nation, society and to the college community. Service can enhance the educational experience of students and provide another crucial platform for individual growth.

To develop service as a value and to make it an integral part of life is a continuous process. It requires dedication, open-mindedness and willingness to engage with others. Our service can make life long impact on others and their sense of well-being that can make one also noble. De Paul College provides students and the faculty the choice to engage in active service to make positive impact in the lives of people around and contribute to building a better nation.
