

DE PAUL COLLEGE
ENLIGHTENING TO EMPOWER

(Affiliated to the University of Mysore)

Socially Economically Disadvantaged Groups Cell (SEDG)

De Paul College recognizes that ensuring access to quality education for all remains a significant challenge worldwide. In India, various disadvantaged groups, including women, minorities, SCs, STs, OBCs, PwDs, and EWSs, face barriers to educational opportunities. Bridging this gap is a key priority for the Government of India. In line with this, the National Education Policy (NEP) 2020 highlights the importance of addressing the educational needs of students from Socio-Economically Disadvantaged Groups (SEDGs). These students often encounter challenges in accessing quality education due to socio-cultural, economic, and historical factors. The NEP 2020 specifically identifies individuals from these groups and emphasizes the need to enhance their participation, particularly in higher education.

To ensure the educational needs and success of students from Socio-economically Disadvantaged Groups at De Paul College, SEDG Cell is established.

SEDG Cell

1.	Dr. Baiju Antony CM	Chairperson
2.	Dr. Mamatha Sathyanarayana	Senior Professor
3.	Dr. Licy KG	I C Coordinator
4.	Mr. Joshy P J	IQAC Coordinator
5.	Mr. Jayaseelan	SC Member
6.	Soumya	Student Member
7.	Albin	Student Member
8.	Miss Krishna Veni	Member Secretary
