## Principal's message New Theory of Democracy

Constitution Day reminds us of the profound vision that shaped our nation. On this day, we honour the framers of the Indian Constitution, whose wisdom, courage and commitment to justice laid the foundation for a democratic, inclusive and progressive India. For the De Paul College community, it is an invitation to reflect on the values that guide us—liberty, equality, fraternity and dignity for all.

As educators and students, our responsibility goes beyond remembering the Constitution; we are called to live its spirit. When we uphold truth, respect diversity, protect the rights of others and fulfill our duties with sincerity, we strengthen the very fabric of our nation. Constitution Day is therefore a reminder that nation-building begins in our classrooms, our relationships and our daily choices.

May this day inspire every Depaulian to be an informed, responsible and compassionate citizen, contributing to a just and vibrant India.
